

GALIO FIRE PIT BLACK AUTOMATIC FREESTANDING OUTDOOR GAS FIREPLACE

Gas Technology

OPTIONAL GAS CYLINDER CASE

A matching black case to aesthetically cover the gas cylinder.

ROBUST DESIGN

The freestanding design and black finish make Galio a perfect fireplace for outdoor spaces. It is resistant to severe weather conditions.

REMOTE CONTROL

Control the fire with the remote, app on your smartphone or a home automation system.

AUTOMATIC CONTROL

The device is controlled by an electronic system. To start the device or adjust the height of the flame you can use the control panel, remote or mobile application via the WiFi module. Galio is also compatible with Smart Home Systems.

OPTIONAL GLASS CYLINDER

Equip the fireplace with a durable ceramic cylinder that protects the flame from any air blows, making it stable at all times.

OPTIONAL COVER

A dedicated fabric cover that protects the fireplace when not used.
